

GK Machine Showcases New Products

Rogue Hoes

Are you a visionary who is frustrated by subpar tools that weren't built for heavy-duty work? Look no further! GK Machine now carries 'Rogue Hoe' tools! They work as hard as you do, helping you create the perfect flow.

Each hoe is hand-crafted – 100% made in the USA – from recycled agricultural disc blades. Each tool boasts a high-grade tempered steel and most models are sharpened on 3 sides. These hoes are designed for farmers, gardeners, trail builders, fire fighters and floor scrapers.

New Trailer Supplies
